

## Jungle

If you feel like taking a walk on the wild side, you need to have a look at these bold and bright eye-catching Jungle inspired tiles. While the trend for all things tropical continues, these colourful textured porcelain tiles fit the bill perfectly. The design imitates lush flora that in effect adds a touch of drama to any interior scheme. Jungle tiles are a great choice for bringing the outdoors in. Pair with wood effect porcelain tiles on the floor to keep a natural look. On the other hand pair with plain square or hexagon tiles to make these wall tiles do the talking.
