

## Manifesto

Manifesto makes a bold splash of pattern and colour on the wall or floor. The painted pebble designs are great fun and make a wonderful carpet of pattern. All colour choices are available in the two sizes while each colourway has a positive and negative version. Manifesto has a lovely hand painted quality giving the fitted tiles a wonderfully warm and inviting look. There are five designs in both tile sizes. As a result the finished tiled area can appear random. The two sizes of this range can be used to contrast each other in a single space. Alternatively, when used as a floor, pair these tiles with a simple coloured wall tile.
