

Miseria E Nobilita

Miseria e Nobilita plain tiles are a fun choice for a neutral wall or floor tile. The plain tiles of this series have a fine fibrous marking, taking the edge off a flat plain look. This range is all about pattern and contrast, the plain tiles are the 'Miseria' while the patterns are 'Nobilita'. Miseria e Nobilita plain options work easily with most other tile finishes. Because the markings are so fine, this is a neutral with interest. The intended cardboard effect is really subtle and easy for brighter or patterned tiles to work with. If the patterns in this series are too bold, these plains work equally well with simple glazed wall tiles.
