

Paper

Paper plain tiles are available in three monochromatic shades each with a fine graph paper pattern. Although these tiles aren't perfectly plain, the pattern is not intrusive making them work as a neutral. These tiles are a great way to add an eighties style background to a scheme. Pair with pastel colours for an authentic Miami look. Paper plain tiles are easy to pair with others. Because they are exclusively monochrome, they work very well against colour. Pair paper with bright glossy glazes for a modern kitchen. More a more vintage feel pair paper with raw woods or aged metallic looks.

COLOUR

TECHNICAL DETAILS

Product: Through bodied porcelain stoneware.

Surface Finish: Matt

Slip Resistance	Matt
DIN 51130	R10

Manufacturing Standard: BS EN 14411G
(details available on request)

Use: All walls, internal and light commercial floors.

Actual Size: Please note that these tiles have a sharp 90 degree edge for installation with a 3mm grout joint. The dimensions provided are exact and therefore add the grout joint width to the overall module size when preparing setting out drawings.

Installation: Fix this range in a solid bed of polymer modified adhesive in accordance with BS5385: Parts 1, 2, 3 and 4. Adhesive and grout may vary in relation to the specific nature of the installation, and proposed substrates.

Grout Joint: Install these tiles with a minimum 3mm joint.

Weight: 20.55 kg/m²
