

Essenze

Essenze is another winner in our small format wall series. This elegant tile with its' beautiful glaze comes in subtle pastel shades and will help you to recreate that traditional classical look in a totally modern setting. There are some stunning décor pieces to add that little bit of chicness too. Essenze is one of the few wall tiles series that has a full set of glazed finishing pieces. These pieces make all the difference to a completed tile scheme. Details matter and Essenze has them to match every glaze colour. This series can easily create a period look but is equally at home in a contemporary interior where a little colour can go a long way.
