River Blue Liso.

Alabaster Liso.

Louis is a classic collection of glazed wall tiles that is perfect for creating a timeless look. The tiles are available in square and brick formats, giving you the flexibility to create a variety of looks. The collection also includes edging pieces in matching glazes, giving your tiling a professional finish.

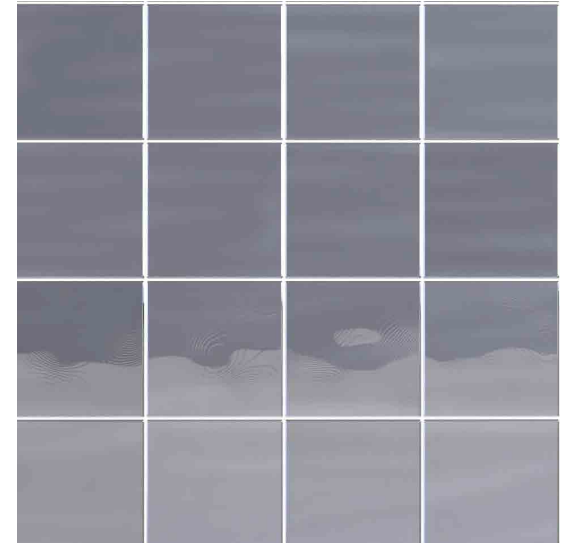

The Louis collection offers a soft variance in colour that adds depth and dimension to any space. The colours are inspired by nature, with shades of white, beige, and grey. The tiles have a hand-finished look that gives them a sense of luxury and sophistication.
